

## Renting flyfishing gear

**Introduction:** Power of the mighty atlantic salmon is an experience you won't forget. Strong gear is needed, when you are fighting with salmon. We offer you quality flyfishing sets from well-known manufacturers. With good gear casting is enjoyable and good rods will tire salmons effectively.

**Flyreels:** We offer good reels for salmon and grayling fishing. For doublehand rods we have strong salmonreels and for onehand rods we have good reels for grayling and also for salmon fishing.

**Flyrods:** There are suitable doublehand rods for salmon fishing and onehand rods for salmon and graylingsfishing. With a good rod it is pleasure to cast and holding the atlantic salmon with strong rod is a great experience.

**Flies:** Flies which are tested in Naamisuvanto, you can find a good option in every condition. From lost flies we charge 7 €.

**Lines:** Flyline, which suits for the rod is very important piece of flyfishing. You can find lines which work well with rods and your casting will be pleasant.

**Other gear:** We have big salmon nets and small flynets for grayling fishing.
